

2022–2023 MEMBERSHIP DUES

Our congregation relies exclusively on the commitment and financial support of the membership to continue its various programs and spiritual services. Our main revenue is from dues assessed and payable on July 1 each year.

We offer **free first-year membership for new members and stepped increases for the two years thereafter**. No one is denied membership because of an inability to pay assessed dues. A procedure is in place to process dues adjustments. Please contact the Temple Emanu-El office for details.

Please remember: Our bylaws require that all members pay their dues and fees **before September 1**.

Temple Emanu-El members in good standing may make arrangements to attend High Holy Day services at another Reform congregation at no charge. In addition, guests who are members in good standing at any congregation are welcome to attend High Holy Day services at Temple Emanu-El by providing us with a letter attesting to their good standing from their synagogue signed by its administrator or executive director or a member of its board of directors.

Please call the office in advance to make any of these arrangements.
